DHF - Drugs in Hair	13-N	☐	☐	☐	☐			set (A,B)	☐
QSA - Qualitative Screening Analysis	14-N	☐	☐	☐	☐			set (A,B)	☐

1. Participation is possible as annual subscription (participation in all tests) and as participation tests.

2. By ticking in the column *continuous subscription*, your participation is registered as a permanent subscription. This is possible for annual subscriptions as well as for single participations of tests. The continuous subscribtion starts with the receipt of the registration form. If we have not receive a cancellation until 4 weeks before the start of the first test of the year, the subscription is renewed for 1 year.

3. Additional sample material can be ordered. The number of additional samples can be limited in particular of authentic hair material.
